SUMMARY

I bring the capacity and willingness to dive into new material. I thrive in a team oriented environment and look to surround myself with passionate and driven team members. Finding small bits of simplicity in a difficult task is how I approach my code, and I aim to apply this to all aspects of my work.

SKILLS

Javascript (ES6), React, CSS, Express, Node, Mongo.db, Mongoose, Postgres(PSQL), Bootstrap, Materialize, EJS, Git/Version Control, RESTful API, JSON, Axios, HTML
